Headline:
Cloudy wet and very windy tonight. Temporarily drier Tuesday morning.

This Evening and Tonight:
Cloudy with spells of rain, heavy at times. However, later in the night the rain should become lighter and more intermittent. Southwesterly winds will strengthen overnight, with gales possible along the South Coast. Minimum temperature 6 deg C (43 deg F).

Tuesday:
Largely dry with bright spells during the morning, but cloud increasing in the afternoon as outbreaks of rain spread eastwards. Mild, but very windy with possible coastal gales. Maximum temperature 11 deg C (52 deg F).

Outlook for Wednesday to Friday:
Wet and windy throughout Wednesday, with gales in places. Colder and blustery for a time into Thursday, ahead of a drier, less windy, but much colder end to the week.
